Denim	China	China Foshan Cs Fabric Company Limited	B	A26		<p>Our denim fabric is made of selected high-quality cotton fibers and woven by professional technology. Its unique twill weaving method makes the fabric present a clear and regular texture with a strong texture.</p> <p>In terms of color, the classic denim blue is rich and deep and long-lasting, and can still be kept bright after many washings. The fabric has moderate elasticity, which is comfortable to wear and move freely. Whether it is daily travel or outdoor activities, it is easy and burden-free.</p> <p>This denim fabric is extremely durable, wear-resistant and can stand the test of time. Its thickness is moderate, suitable for all seasons, and it can create all kinds of fashion items. From casual jeans and personalized denim jackets, to fashionable denim skirts and trendy denim shorts, it can be perfectly interpreted.</p> <p>It also has good layout shaping, easy to cut and sew, can meet various design needs, help designers and brands create unique and charming denim clothing series, and stand out in fashion trends.</p>
